The Honorable Jim McCrery
Member, U.S. House of Representatives
1606 South Fifth Street
Leesville, Louisiana 71446

Dear Congressman McCrery:

This responds to your letter of September 4, 2008, concerning the application for presidential pardon filed by your constituent, Tony A. Clemons.

Mr. Clemons' application was carefully considered in this Department and the White House, and the decision was reached that favorable action was not warranted. His application was therefore denied on March 24, 2008. As a matter of well-established policy, we do not disclose the reasons for the decision in a clemency matter, and under the Constitution, there is no appeal from this decision. Mr. Clemons will be eligible to reapply for pardon on March 24, 2010, two years from the date of the decision on his last application. At that time, he may contact this office and we will provide him with the necessary materials.

Sincerely,

Ronald L. Rodgers
Pardon Attorney

SEP 24 2002

The Honorable Jim McCrery
Member, House of Representatives
1606 South Fifth Street

This responds to your letter of August 15, 2002, enclosing a letter from Elvin C. Fontenot, Jr., seeking your assistance in determining the status of the pardon application filed by your constituent, Mr. Kevin Zittle.

Mr. Zittle's pardon application is currently under review. The processing time for a pardon application can be lengthy, and we can give no assurance that final action will be taken by the President within a particular time frame. Accordingly, we are unable to advise you when Mr. Zittle may expect a decision on his application. Mr. Zittle's attorney will be notified promptly, however, when a final decision is made. We appreciate your interest in this matter.

Sincerely,

Roger C. Adams
Pardon Attorney
